Welcome to the Gleeson Clinic

Massage Therapy is most effective when applied directly to the skin, but personal boundaries are determined by you. You are covered by a sheet at all times except for the area being massaged.

Acupuncture Therapy may be associated with mild bruising and tenderness at the insertion points. If this occurs, discuss the situation and treatment alternatives with your therapist.

You have the right to stop, clarify and ask questions about your treatment at any time. You also have the right to terminate the treatment at any time.

All personal information provided by you to our Office will be handled according to Federal Personal Information Protection and Electronic Documents Act, (PIPEDA) and PHIPA for Ontario.

We will verify any inquiries from third party providers.

It is the policy of the Gleeson Clinic that payment for all services is due in full at the time the service is rendered.

Your appointment time is reserved for you. We require 24 hours notice of cancellation or change in all appointments. If sufficient notice is not received, a missed appointment fee will be charged.
